For use in the various War Camp Community Service districts of greater New York, the following theme and program have proven adequate and have enabled the audience to interpret the scenes without explanation or comment. The accompaniment of national music with each scene is farther clue to its interpretation. (See instructions). Theme The Daughters of the Nations assemble to celebrate the advent of World Freedom. To the music of its National Anthem, each group passing in review expresses the spirit of its people. The final tableau depicts a union of the Daughters of Freedom in which national characteristics are not lost, but blend as mosaics in one great design.
