## The Foundation Programme for Doctors: Getting in, Getting on and Getting Out (Paperback)

---

By Ferras Alwan, Rohin Francis, Emma-Jane Smith

Taylor Francis Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 305 x 229 mm. Language: English . Brand New Book. This book includes a foreword by Jane Dacre, Academic Vice President, Royal College of Physicians, Professor of Medical Education, CHIME, Royal Free and University College Medical School, University College London, Consultant Physician and Rheumatologist, The Whittington Hospital, London. This book prepares you for the often daunting life after medical school, detailing everything you need to know about preparing, applying and surviving. It s the most up-to-date guide available filling you in on recent important changes to the application system. This practical guide is full of valuable tips, tables, worked examples, frequently asked questions, further resources and useful addresses. Highly recommended for final year medical students and other clinical medical students preparing for their final year, this book is also invaluable for junior doctors progressing through the Foundation Programme and all those with teaching and supervisory responsibilities in medical schools and hospitals. An invaluable resource for our new generation of doctors. It takes readers through the process from application, to F2 and beyond. It offers useful advice in a useable and readable format. It is written by a group of current...
