## THE INDISPENSABLE GUIDE TO GOOD LABORATORY PRACTICE (GLP): SECOND EDITION (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2009. Paperback. Book Condition: New. 244 x 198 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Familiarity with Good Laboratory Practice (GLP) is a necessity for those working in or aspiring to work in biotech, pharma, and even academic research, where partnerships with industry require ever greater awareness of drug development regulations. Thus, this guidebook serves to not only summarize GLP regulations, but explain the interaction of these various components in the development of a GLP compliant study. Far from being long-winded, special attention has been paid to the brevity of each chapter. If more detail is needed, the reader can easily refer to the official FDA verbiage provided below each chapter summary. Inspired by the lack of affordable, succinct, and easily accessible training options available to students, scientists, and entrepreneurs, Dr. Slomiany set out to create a guidebook which conveys the underlying principles of GLP in an easily digestible format, while providing resources for more in-depth study.
