Huna and the Future of Medicine: Integrating Huna and Western Medicine So They Work for You (Paperback)

By Allen Lawrence M D, Lisa Robyn Lawrence Ph D

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Currently America is involved in a national controversy concerning the state of health care. One faction of the government believes that we should have more and better health care for less cost. The other equally vocal side of the American people believes that medical care should stay as is. The argument is about access and cost. The fact is, both access is difficult and costs are up because we are not healing people. The real issue is how do we change our current medical system from merely treating illness to preventing illness in the first place? Secondly when illness exists instead of forcing people to suffer years of pain and illness for years, why not heal illness in its earliest stages long before it creates a permanent problem? One way many people are dealing with this crisis is to move away from traditional Western medical care and instead seeking alternative health care resources. This counter-cultural movement is clearly gaining an ever increasing share of the medical health care market. The problem here is that most alternative care still...
