Just Living Today, United States, 2013. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.For Those Moments When You Aren t Sure How To Move Forward But Something Needs To Be Done. LEARN HOW TO DEEPEN YOUR RELATIONSHIPS BY ELEVATING YOUR CONVERSATIONS Connecting with people is part of life; learn how to leverage your connections in a way that deepens your relationships. Are You Ready for a Change? I am making the assumption that you are currently involved in some form of relationship. Usually assumptions are dangerous but this one is spot on. No one functions outside of relationships, so mastering communication and connection is practical as well as beneficial to everyone. If you think you function completely independent of others then you couldn t be more wrong. Even inanimate objects function in relationship to people as they serve a unique purpose or function. Relationships are a complicated and necessary component of life. Some have said we can only be assured of two things: death and taxes, but I would challenge that thinking and say. the only thing we can be assured of in this world is death, and relationships. The relationships we create are either unhealthy and dysfunctional or hopeful and nurturing. The most amazing part of our lives as human beings is the gift of free will that allows us to choose (as far as it concerns us) how we function in relationships and community. That being said, the world is also full of difficult people, complicated circumstances and communication breakdowns. There is a flip side to the best thing in life being free will - if we have free will then so do all the other people in the world. Herein lies the problem! We may think...
