George Fox Tucker, a Boston attorney, living in Middleboro, claimed that the total liabilities of the plant to date are over \$200,000, and that last year 10 per cent was lost on the gas plant alone. How a VI. O. Profit Is Figured The annual report of the Board of Public Works of Negaunee, Mich., on the operation of the city s lighting plant shows a profit on the face of the returns of \$8,415. It must be said for the board that it makes a better accounting of costs than most public lighting commissions, but it does not include all of the items that should properly be charged against the plant. For example, the figures show the investment in the plant, as of Dec. 31, 1911, to be \$58,000. Interest at the rate of 5 per cent on \$25,000 of bonds outstanding only is...
